Down the memory lane 25 springs have come and gone.....

Let's cherish the nostalgic moments.....!!!

Special points of interest.
This is the first edition of **SVP VOX**, the Newsletter that illuminates the journey so far.....

VOX is a Latin word meaning Voice and Yes it's a small step towards lending an altar, Who wish to be heard.

Editor's Speak...

Undoubtedly KES fraternity has put unparalleled efforts towards humanism and surely deserves Admiration & Applause through this lovely little piece...

"Caring the Neonatal to the Post Graduate Savors, May God help us to be the front runners carrying forward the legacy of **Service to All and Vice to None.**"

An ecstatic journey of 25 years, full of Colour, Culture and Civics.

Since - 1989

Sree Vidya Peeth was established in 1989. In the last 25 years the school has helped many talents to bloom, many dreams to fulfill and many hearts to rejoice. The chief motive has been to provide as many children to realize their abilities in a testing atmosphere. We have tried to evolve according to our childrens needs and today we stand at a new crossroad in

time where we have taken another new challenge. We have successfully started the 11th standard from this year and in 2016 we will have our first batch of class 12. We are thrilled, and at the same time we need the same support that has been garnered on us in past because a school is only complete when it has three things. Childrens, Parents and Teachers.

Then and Now...

The story of a leader

"In order to succeed your desire for success should be always greater than your fear of failure"
- APJ Abdul kalam.

Among many succes stories in the school is the story of **C. Vamshichand**.

He came to the school in 1991, became the school leader and remained the leader for three years and eventually became the school topper. Now he is a successful doctor who finished his studies from Gandhi medical College and later with the help of his other medico friends in college started Support (Society for uplifting the poor of rural territories). So, the leader then in the school is now leader in the society also.

Leadership and empathy oozes from his words,

"I Strongly believe that a developed India is possible only if each and every village in itself is well developed."

Moments of Glory.....

Beholding the cent percent pass out at CBSE board exam AISSE over two decades, the statistics speak of

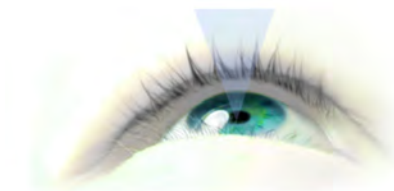

- 97% securing 1st class scoring above 6.4 CGPA.
- 75% securing Distinctions scoring above 8.0 CGPA.

A feather in the Cap.....

Runners Up at CBSE Cluster VII Table Tennis Tournament 2011 - 12.

Annual Day Celebration

"keep your head high, keep your chin up and most importantly, keep smiling because life is a beautiful thing and there is so much to smile about."

"Children need their spaces to express themselves because proper expression leads to internal education."

"Rearing the Patriotic Ambiance"

School? It is my second home...

Sree Vidya Peeth has been relentless in its endeavour in providing children with a serene and peaceful atmosphere to study. V.Viharika has studied here from the day the lower kindergarten started. She had made SVP almost her second home and has spent most of her time here in the last 12 years. This year she was one of the two who got a perfect 10 in class X board exams. Cheers to Viharika.

Watermelon Desert

The Kalahari Desert in Africa is one of the driest and eventually the unkindest of deserts. You expect bushes of thorn not springs of water. But the watery green fruit which is a must in Indian summers originated in this desert only.

A Big Funny Record

The Guinness Book of Records has many unbelievable records under its belly but do you know that the book itself is also mentioned in the records book. When asked they said the record was because it was the book which was the most stolen book from Public Libraries.

Bites of the communication world

The communication world has seen a round of turnaround where three major companies were taken over by bigger giant companies. Microsoft had Nokia, Google took Motorola and Facebook gobbled, WhatsApp. They must be mighty happy after those royal 'Bit'es.

In the words of Student's council

The student's council of SVP believes in the ideals of Tradition, Discipline and Respect. They have been an important arm which served SVP and took it to glorious heights.
