| | | |
|--|---------------------------------------|---|
| Art Education | By the VA/PA or the concerned teacher | Art Education constitutes an important area of curricular activity for development of wholesome personality of the students. Students are given opportunity select one or more forms of creative arts. |
| Health & Physical Education (Sports / Martial Arts / Yoga / NCC etc.) | By the PE Teacher | Health & Physical Activity preferably various sports are given as regular period in the Time Table. Students get opportunities to get professionally trained in the area of their interest. Indigenous sports, yoga, karate is encouraged in the schools creating a sense of physical fitness, discipline, sportsmanship, patriotism, self-sacrifice and health care. |

3. Discipline (Attendance, Sincerity, Behavior, Values):

Discipline significantly impacts career shaping and it helps build character. Sincerity, good behavior and values develop strength and foster unity and cooperation. Therefore, the element of discipline has been introduced. Class teacher along with other teachers involved in the class will be responsible for grading the students on a Five-point scale (A to E).

The internal assessment comprising 20 marks (10+5+5) entails objectivity and a structured approach. For a holistic assessment to make it an effective tool.
